Dear Mr. Braxton:

Re: Transfer of Notice of Intention - Large Mining Operations
Pandora Mine (ACT/037/012), Calliham Mine (ACT/037/023) and
Rim-Columbus (ACT/037/006)

Enclosed herewith are the captioned reclamation contracts to which I have appended fully-executed and acknowledged transfer forms. Umetco Minerals Corporation is concurrently acquiring the uranium and vanadium mines subject to the contracts from Atlas Minerals. Therefore, the contracts and transfer forms are now submitted to the Division for approval. If you should have any questions regarding this transfer, kindly advise.

In the meanwhile, I plan to contact you in the near future after you have had an opportunity to review the enclosures.

Yours very truly,

M. G. Derrick
